Scope of work:

1. Formulate academic policies, curriculum implementation, and assessment strategies in line with NMC regulations.
2. Monitor the quality of teaching, clinical training, and research activities.
3. Recommend faculty development initiatives and teaching-learning improvements.
4. Review departmental reports and coordinate inter-departmental collaboration.
5. Provide input on infrastructure development, staffing, and academic support needs.
6. Approve proposals for workshops, CME, conferences, and academic collaborations.

- 12:59 PM
7. Oversee the ethical standards and discipline in academic and clinical settings.
 8. Address grievances related to academic or clinical issues from faculty or students.
 9. Ensure compliance with statutory and regulatory requirements (NMC, University, Government).
 10. Promote community outreach and health education initiatives linked with curriculum.

The scope of work outlined above is not exhaustive and the Chairperson reserves the right to include additional tasks, responsibilities, or areas of focus as deemed necessary for the effective and successful execution of the Council. Such additions may arise in response to emerging needs, unforeseen challenges, or evolving project requirements, and all concerned parties are expected to cooperate accordingly to ensure the overall objectives of the Council are met in a timely and efficient manner.
